

DEGREE & CERTIFICATE Quick Reference Guide

NOTE: The A.A. (Associate of Arts), A.S. (Associate of Science), and A.G.S. (Associate of General Studies) degrees carry a major of Liberal Arts. A student can earn an A.A., A.S., or A.G.S., degree by completing the college's general education and elective requirements. A student may earn only one A.A., one A.S., and one A.G.S. degree.

The A.A.S. (Associate of Applied Science) degree carries a major, or a major with an option. Career and Technical Education (Occupational) Certificates are also available. For Certificate and A.A.S. programs, both the major and option are recorded on the diploma and official record/transcript. Specific programs are listed in the index.
