

# **“NEVER AGAIN”**

## **LEARN ABOUT TERRORISM AND HOW WE CAN MAKE AMERICA MORE SECURE**

### **AIMS COMMUNITY COLLEGE**

## **A NEW COURSE OFFERING IN THE CRIMINAL JUSTICE DEPARTMENT**

### **ANTITERRORISM AND SECURITY CJR – 275**

Learn about Terrorism and why we need to protect ourselves from terrorists (**Antiterrorism**). The course deals with threats, targeting, intelligence, how terrorist operate, weapons of mass destruction and what we can expect. The second half of the course deals with the **Security** mechanisms necessary to combat the terrorist and defeat their efforts. The course will also include analytical risk management as applied to security decisions and implementing security procedures and equipment. You will determine vulnerabilities and assess assets and threats using decision based modeling. This course will provide a good foundation for those interested in a security career in city, state or federal governments.
