Online Campus Classes

(Campus Code = ONL)

All coursework will be completed online. You must have access to a computer with a reliable Internet connection. Students who do not have access to a computer with Internet connection may use the computers in the computer labs on campus.

Class MAY meet on campus, in a classroom or lab, for ONE mandatory first class session (orientation). If an online class does not indicate a specific first class session on campus, students who have never taken an online class, or who do not have previous Web CT experience, should do one of the following:

1. View the "Online Learning Orientation" at <http://www.aims.edu/campus/online/orientation.htm>.
OR
2. Attend an "Online Learning Orientation" session offered on campus in the Academic Resource Centers. Schedules for these sessions are posted on <http://www.aims.edu/campus/online/orientation.htm>.

Students should complete an orientation before they log in on the first day of their class.
