

AAWCC CHAPTER/SECTION FISCAL YEAR REPORT INSTRUCTIONS

Are you an officer or a member of a local AAWCC chapter or state section? Did you know that all qualified chapters/sections are **eligible** to receive \$100 each fiscal year from the national AAWCC organization? In order to receive this “bonus” each chapter/section must file an “AAWCC Chapter/Section Fiscal Year Report” by the deadline listed below. This report is required by AAWCC in order to comply with both IRS and AACC reporting regulations. Here are the requirements each chapter/section must meet to qualify for the “bonus”:

1. The chapter/section must have been formally approved by the AAWCC board of directors; and
2. The chapter/section’s membership must include at least **10** national AAWCC members (Institutional or Individual members) as of June 30 (e.g., the official membership date is June 30, 2009 for the fiscal year July 1, 2008 through June 30, 2009); and
3. The chapter/section must be active--offer activities, events, meetings that support the vision and objectives of AAWCC; and
4. The chapter/section must complete the AAWCC Chapter/Section Fiscal Year Report and submit that report to their **Regional Director** (contact information for RD is available on the AAWCC website www.aawccnatl.org) by **August 15, 2009**. Chapters/sections may submit their reports anytime between July 1, 2009 and August 15, 2009.

Your Regional Director will verify the information submitted by the chapter/section on the AAWCC Chapter/Section Fiscal Year Report and forward page two of the report for each qualified chapter to the AAWCC Vice President for Finances. Each qualified chapter/section will receive a check for \$100 from the national organization by December 31, 2009.

We appreciate your completing this important financial, membership and activity report. Once we receive completed forms from all qualified chapters/sections, our plan is to update the AAWCC website to list the names of all the qualified chapters and sections in the country and contact information for one of their officers. This is just another way that we can all “champion women and maximize our potential”!

III. AAWCC RELATED ACTIVITIES:

In order to meet the evolving needs of our members, an interest survey was conducted to help the Rocky Mountain Chapter board determine the types of activities to offer for 2008-09, which included professional development, networking, and community outreach:

- Our annual **organizational/business meeting** was held in September. New officers were introduced, and the program schedule for the new year was presented to the membership.
- **Professional development** activities included an election update from the League of Women Voters, “Strengths Quest” assessment, and annual leadership seminar on April 9.
- **Networking** activities included a holiday social, a hike along the Poudre River in Greeley, and year-end “Toasting and Tasting” social/membership drive.
- **Community outreach and philanthropic** activities included volunteering at the first annual College Goal Sunday at Aims Community College and Habitat for Humanity volunteer “build” day (which, unfortunately, had to be rescheduled for a later date).

Below is the membership roster for the Rocky Mountain Chapter (48 national/chapter members as of 6/30/09). Per our bylaws, in order to be eligible for chapter membership, national dues must be current.
