More hangers are needed and help is needed with sorting pants and sweaters by size. Whatever they can't use, they will donate somewhere else. Discussed other place to take clothing such as Lincoln Park Emporium. Students think this is a good idea and anxious to come. Will open Monday, November 28<sup>th</sup>. Linda put flyers on every bathroom. Discussed opening to other members as well, perhaps once a month. Also suggested having a sheet at registration table prior to the November event.</p>

St. Michael's very affordable but building is up for sale. If place is sold, we can get it for price ... new place is where Toddy's is, 23<sup>rd</sup> Avenue. St. Michael's and Best Western are nice as you don't have to drive into depth of Greeley. Look at Best Western to keep options open. \$400 for room. Has a little kitchen to bring in own catering and will hire bar tender if we want. Need to bring dinner plates. Even if we bring in caterer and plates, place is very nice.</p>	<p>Cyndee will continue to look at one more locations.</p>

	<p>suggested starting a blog so everyone could start a log and, as reading book, log in and jot down thoughts on books. Margaret suggested not giving away the book plot but providing thought provoking questions. Also, create exercise to apply to our lives. The book is "Getting to Yes." Roger Fisher, William Uri and Bruce Patton.</p> <p>Website update, links are now on side. Edie suggested "Who's new" page and highlight new members. If you see something you'd like to incorporate, let Cyndee know. The purpose of the website must provide a reason to go to website. Margaret suggested a Master Calendar.</p> <p>Regional scholarship coming up. President elect chairs committee. Scholarship not limited to woman or to a community college. First year scholarship was offered, there were two applications. Last year had six applications. Advertised in TP and Aims Weekly. Will be able to advertise it. Once committee selects winner, forward to Carol Hogle. We are only chapter who has had applicants. Mile High Chapter will probably have nominee this year. Will look at timeline for more information. Doctorate scholarship information and can get information from national website.</p> <p>Woman's Place ... anyone who orders from Aims, 15% will go to A Woman's Place ... Organizational Purchases. Catalog is on line. Can look online and order. Women to Women's stuff. Mistie is still working on brochure and logo for project.
