I. Call to Order
The meeting was called to order at 9:14 AM by Board President Ken Nickerson. Other Board members present included Beth Bashor, Richard Bond, Bernie Kinnick and Sandy Neb. College President Dr. Marsi Liddell was also present at the meeting.

II. Additions/Deletions to the Agenda
The following changes were made to the Board of Trustees Agenda:
- Incorrect version of June 20 meeting minutes was included in Board packet. Remove minutes of from consent agenda, corrected copy will be approved at September meeting.
- Remove Action Item VIIg Resolution for meeting with Colorado Mountain College Board. There has been difficulty scheduling meeting.
- The Board has been handed a corrected copy of Policy 4-101.
- There will be no need to adjourn to executive session.

ON MOTION OF SANDY NEB THE BOARD UNANIMOUSLY APPROVED THE AGENDA AS AMENDED.

III. Citizen Participation
There was no request for citizen participation.

IV. President’s Report – Dr. Liddell
Dr. Liddell thanked the staff of Loveland campus for hosting the Board meeting. She emphasized that even with the purchase of land for a new campus along I-25, Aims intends to stay in Loveland and will utilize the campus in the future.

a. Foundation Update – Julie Buderus
Julie Buderus was not in attendance, but Dr. Liddell informed the Board that the capital campaign is currently at $2.2 million and still growing.

b. Technology Update – Gary Bardsley
Several Board members complimented Dr. Bardsley on the thorough report. A Trustee asked if the security plan includes all campuses, as well as the airport & Continuing Education. Dr. Bardsley replied that the intent of the legislature regarding Continuing Education is unclear, but Aims will handle all areas equally.

c. Construction Update – Don Plant
The President commented that the Construction Project is ongoing and fluid, adding that the project is still within the budget including contingency. Don Plant reviewed the current status of the project, noting that it requires an aggressive schedule to get the building done on time. He continued by saying that if we get Temporary Certificate of Occupancy on August 17, move in will begin on August 20. Dr. Liddell told the Board that she will be reporting on progress in weekly “In the Loop” broadcasts. She also mentioned that the relocation team has worked out various scenarios for the move and no one will move unless there is proof that the
required quality has been met. A Trustee asked if the State of Colorado will issue the Certificate of Occupancy. Dr. Liddell answered that the CO will come from the state, but the local fire department will be involved as well.

d. AQIP Update – Jeff Reynolds
Dean Reynolds reminded the Board that they had requested an update on the progress toward Academic Quality Improvement Program (AQIP) accreditation. He presented an overview of the AQIP action projects as well as information on the progress on the online AA degree and the AQIP Systems Portfolio which will be submitted for accreditation.

1. Action Project #1 - Valuing People: This project addresses Board Goal #2. The Ripples of Recognition program grew out of this Action Project. Even though the Action Project is completed, the Ripples program will continue on campus. The program been very popular in past year, with 387 separate Ripples awarded.

2. Action Project #2 - Understanding Stakeholders Needs: To date, this project has taken the form of major surveys focused on understanding student needs and working to ensure success. The Designworks and Clarus studies helped us to determine the location of the new campus. The project has been ongoing for 2 years, will be completed by the end of the third year.

3. Action Project #3 - Helping students learn: This project also has a 3-year timeline for completion and focuses on assessing and improving student learning. The project has focused on state mandated general education competencies in Writing, Math, and Critical; with one competency examined each year.

4. New AQIP project - STAR/Emerging Scholars: This initiative is intended to address those students who have developmental education needs in 2 or more areas. Emerging scholars is currently a voluntary project that will give students an academic and monetary benefit. There are currently 40 who have signed up but it is expected that many more will join before fall semester begins.

5. AA Online Degree: Dean Reynolds informed the Board of Trustees that Jean Otte has taken the lead in the application for approval of a complete on-line AA degree program. The application will be reviewed formally by the Higher Learning Commission later this month, after recommendation for approval by the review panel. Aims will continue to work internally to get all processes in place.

6. AQIP Systems Portfolio: This involves a three-year review of progress at Aims. The final report will be due in about 14 months, in Fall 2008. Typically it is an 80 to 100 page document, which is submitted to prove our progress. Dr. Liddell added that the significance of the systems portfolio is that it will drive our accreditation.

e. Internal Auditor Selection – Carol Hoglund
Carol Hoglund reported that the college had received a letter from Anderson Whitney declining to reapply as internal auditor. Ms. Hoglund said that she had sent out an RFP for a new auditor. The Board discussed the practicality of hiring an external firm to function as the internal auditor and agreed that the board needs to have contact and relationship with both the internal and external auditors. With Board concurrence, Board President Ken Nickerson requested that the college look into hiring a full-time auditor, as well as current salary schedules to see if they will support a good
f. President’s Executive Summary

Dr. Liddell reviewed the following items:

1. Included in the Board packet is the final draft of Board Goals along with the strategies the college will use to fulfill the goals.
2. Staffing analysis report of position changes due to the early retirement buyout, including how job duties have been reallocated.
3. Letter of commendation for Aims nursing student at McKee Medical Center.
4. Letter from Franklin University on the tuition compensation from 2006/07 partnership.
5. An article from the Community College Times on senate reauthorization of Pell Grants.
6. There is some difficulty in coordinating schedules for a joint meeting with the Board of Colorado Mountain College, but both colleges will continue to look for a mutually convenient time.
7. DownUnder, LLC land sale. Dr. Liddell reported that Ken Nickerson and Beth Bashor had both signed the contract for sale. The next step is the purchase agreement, which should be ready in next two months.
8. Dr. Liddell suggested that the Board hold a work session once a quarter in conjunction with a meeting, adding that it would be especially helpful for new members.
9. Aims Foundation directors are reviewing the new Memorandum of Understanding between the foundation and the college. Richard Bond and Bernie Kinnick volunteered to review the MOU.
10. Dr. Liddell reported that the college had received a letter yesterday denying the application for Air Traffic Controller program. The denial was due to number of graduates from our aviation program. There are plans in place to add other programs, including airport management, to the Aviation Department which would increase the number of graduates from our programs. It might be possible to begin a state approved (not FAA approved) program now and continue to work for full approval.
11. The Academic Deans in cooperation with the Faculty Association have developed a plan to help remedy the difficulty in hiring for specific instructor positions due to labor market conditions. This fall the college will use this plan in a pilot program. Under the plan, adjunct faculty could be hired at 2/3 load. They would have a contract for the year, but no benefits and no tenure.
12. Included in the Board packet is the College Board report on race and districting at the K-12 level.

Mr. Nickerson pointed out the memo from Kathy Hamblin on the Monfort Early Childhood Education Center that was also included in the packet. He asked that when the Board makes decisions on the program in the future, they take a close look at the impact to the community. Dr. Liddell reminded the Board that administration are not necessarily looking to close the program, but to do a better job of cost recovery.
