VIII. Comments from Board Members

- Ken Nickerson stated that the Board had given a difficult set of directions to the college earlier this year when they asked the president to reduce staff through the buyout program and bring staffing numbers more in-line with state institutions. It was an arduous and difficult task, but in retrospect it was good for the college. He added that he had spoken to many employees who had taken the buy out and they were happy to have been given the opportunity. He stated that there has been some confusion, but that is not unusual in such situations and the college has moved efficiently through the transition period. He concluded by saying that the Board continues to support and value employees as evidenced by the additional holiday just granted.

IX. Comments from Board Reps

I. Faculty (Marsha Driskill or Alysan Broda, ACEA Board Reps)
   Board rep Marsha Driskill asked about the planning for the new west campus, adding that she hoped that faculty would be included in the planning. Dr. Liddell assured Professor Driskill that faculty would once again be involved in the planning process, adding that the first step in planning will be to engage a master planning architect, which may not occur until the new Board is seated.

II. Aims Staff Association (Carrie Schaefer-Randolph or Bonnie Steele, ASA Board Reps)
   Bonnie Steele invited Board members to the ASA fall breakfast on October 31.

III. ASACC (Mike Borden, ASACC President)
   Since ASACC President Mike Borden was unable to attend the meeting, Dr. Liddell reminded the Board of the ASACC sponsored Board Candidate’s.

IX. Adjourn
   ON MOTION OF BETH BASHOR, THE BOARD ADJOURNED AT 3:26 PM.
