Call to Order
The meeting was called to order at 11:03 AM by Board President Sandy Neb, who attended by phone. Trustees Mike Freeman, Walt Richter and Larry Wood also attended via phone conference. Trustee Mike Geile and College President Dr. Marsi Liddell were present at the meeting, as were Sandra Owens, Jeff Smith, Amy Kegg and Karoline Woodruff. Greeley Tribune reporter Sherrie Peif was also in attendance.

The sole item for consideration was the Revision of Policy 3-715: VIOLENCE AND WEAPONS ON CAMPUS

House Counsel Sandra Owens addressed the Board saying that this was the 2nd reading to approve changes to Policy 3-715 which were made after the last Board meeting. The policy now reads that Aims Community College will comply with state law. She added that it is best to just refer to state law, rather than trying to include any definitions in the policy. With the new language, any situation involving weapons will be referred to a law enforcement authority. The final language of the Policy will be:

*Aims Community College shall abide by all Colorado State Laws with regard to weapons, concealed or open. Questions or concerns about any individual instance of weapons on campus shall be referred to law enforcement authorities immediately.*

*It is the responsibility of all students and employees to adhere to these policies and report any infraction to College Administration. Infractions may result in disciplinary action. Anyone bringing a weapon on to campus and causing alarm or behaving in a threatening way is subject to immediate removal from the property regardless of their status.*

*The President shall provide such additional procedures to implement this Policy as deemed appropriate.*

LARRY WOOD, MOVED APPROVAL OF POLICY 3-715 ON SECOND READING. WALT RICHTER SECONDED.

There was no further discussion. Since several Trustees were attending by phone, the vote was called by roll:

Mike Geile: Yes
Larry Wood: Yes
Mike Freeman: Yes
Walt Richter: Yes
Sandy Neb: Yes
The motion passed unanimously.

ON MOTION OF MIKE GEILE THE BOARD UNANIMOUSLY VOTED TO ADJOURN THE MEETING AT 11:07 AM.
