The purpose of a Background Investigation is to maintain a safe and productive educational and childcare lab environment. Students who refuse to comply with the Background Investigation process will be denied admission to any Aims Community College Early Childhood Education program.

NOTE: ALL students are considered provisionally accepted until all elements pertaining to their Background Investigations are received and reviewed by the college.

Disqualifying Criminal Offenses: Any conviction, plea of guilty or no contest, or deferred prosecution of the following criminal offenses (Felony or Misdemeanor) that appears on any part of a criminal Background Investigation at the time an application to a program is submitted will disqualify an applicant’s admission to their program and may also disqualify a student from admission to a clinical facility. Students who have successfully completed the terms of a deferred adjudication will not be disqualified from their program. Students who have a disposition of “dismissed after successful completion,” regardless of the crime, will not be disqualified from the program.

An applicant will be disqualified from an Early Childhood Education program based on the following guidelines:

- Any violent felony convictions of homicide (no time limit).
- Any registered sex offender (no time limit).
- Crimes of violence (assault, sexual offenses, arson, kidnapping, any crime against an at risk adult or juvenile, etc.) as defined in section 18-1.3-406 C.R.S. in the 10 years immediately preceding the submittal of application and/or prior to starting class.
- Any felony offense involving unlawful sexual behavior, as defined in section 16-2-102(9) C.R.S. in the 10 years immediately preceding the submittal of application and/or prior to starting class.

- Any crime of child abuse, as defined in section 18-6-401 C.R.S. in the 7 years immediately preceding the submittal of application and/or prior to starting class.
- Any crime related to the sale, possession, distribution or transfer of narcotics or controlled substances in the 7 years immediately preceding the submittal of application and/or prior to starting class. Any crimes related to section 18-18-426 C.R.S. (Paraphernalia) are not considered disqualifying offenses.

- More than one (1) DUI in the 7 years immediately preceding the submittal of application and/or prior to starting class.

If the Background Investigation reveals information that could be relevant to the application, the designated individual or committee within Aims Community College may request additional information from the applicant. The potential Disqualifying Offense shall be reviewed on a case by case basis. Aims Community College reserves the right to remove a student from any Early Childhood Education program of study in the event a Disqualifying Offense appears on the Background Investigation.

NOTE: Child care facilities may also choose to require additional background checks, drug screens and/or fingerprinting, and may disqualify students from participating at a clinical site based on individual facility policies independent of any action by Aims Community College; and that a disqualifying background check from a child care facility may render me ineligible to continue in an Early Childhood Education program.

All Background Checks will be processed under the Fair Credit Reporting Act, and Aims Community College has enacted a “red flag procedure” as required by November 1, 2008. 16 CFR 681. The applicable applicant/employee will be notified and informed in the event of an unacceptable background report.
