Connecting to a Wireless Network

This iPad is capable of connecting to wireless networks on the Aims Community College campus, at your home, or in a variety of public locations. To connect to a wireless network, follow these steps:

1. Go to Settings (usually on the Home Screen of the iPad)
2. Click on Wi-Fi on the left-hand side of the screen
3. Click on the wireless network to which you want to connect. Usually this is AIMS-SECURE-STUDENT

**Please note:** If the wireless network you are connecting to is unsecured, a message will appear stating “Information sent over this network might be visible to others.” Click the Connect button to continue.

4. You are now connected to the wireless network!
