AIMS COMMUNITY COLLEGE POLICY

ACADEMIC STANDARDS

Degree/certificate-seeking students must maintain satisfactory academic progress. To remain in good standing, students must achieve a minimum cumulative and term grade point average (GPA) of 2.00 for all attempted undergraduate level courses.

Students who fail to maintain satisfactory academic progress shall be placed on academic probation. Probationary students who do not show progress toward good standing in the first term of their probation will be placed on multi-term probation. Students who do not show progress towards good standing in the subsequent term will be placed on academic suspension.

Financial aid and certain Aims programs may have more specific guidelines concerning course load and GPA. Students must achieve a minimum cumulative GPA of 2.00 to receive a degree or certificate.

The President shall implement and maintain procedures to carry out the intent of this policy.
