AIMS COMMUNITY COLLEGE PROCEDURE

WEATHER CLOSING

When the weather is inclement creating hazardous conditions that are unlikely to improve, the President will announce, as early as possible, that the College may be closed for a defined period of time.

The weather will often vary between College properties; therefore, different closures may be announced for different campuses.

APPROVED: Dr. Marsi Liddell
Aims Community College President
Date: September 11, 2003

Revised: March 9, 2009
