AIMS COMMUNITY COLLEGE PROCEDURE

CLERY REPORTING

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act requires all colleges and universities that participate in federal financial aid programs to keep and disclose information about crime on and near their respective campuses. Aims Community College published this information on the web portal and on the U.S. Department of Education website.

The College shall maintain a Daily Crime Log of any criminal activity on campus. This information shall be made available for public view by contacting Campus Security. The Annual report required by the U.S. Department of Education shall be completed every fall and shall include statistics from law enforcement agencies where Aims campuses are located. Hard copies of this information shall also be distributed throughout the campuses by October 1st of each year. Information shall be compiled on the following crimes: Homicide, Sexual Offenses, Robbery, Burglary, Motor Vehicle Theft, Arson, and Hate Crimes, as well as arrests or referrals on alcohol violations, drug violations, and weapon violations. As a result of the Violence Against Women Reauthorization Act of 2013, the college will now compile, retain, and report statistics on instances of sexual assault, domestic violence, dating violence, and stalking that are reported to campus security authorities or local police agencies.
