AIMS COMMUNITY COLLEGE PROCEDURE

EMPLOYEE DISCOUNT PROGRAM

GENERAL POLICY STATEMENT
Aims Community College may, from time to time, enter into arrangements and/or agreements with other business whereby Aims Community College Employees are provided discounts on the procurement of goods and services.

Any arrangements, or services and products purchased with this discount program are the sole responsibility of the individual employee. Aims Community College and Work-Life Wellness Program assume no obligation for these arrangements and do not endorse any of the organizations or their services, products or programs. All arrangements are strictly between the employee, as a consumer, and the service provider.

All employees are encouraged to shop and compare prices and services before purchasing, signing any contract, or making any arrangements. Aims Community College and the Work-Life Wellness Program assume no responsibility for any arrangements, contracts, purchases, or disputes between individual employees and any discount provider. The Aims Community College Work-Life Wellness Program does not negotiate, guarantee, or endorse discount providers or discount prices and it is highly suggested each employee research and compare prices, levels of service, and any licensing or certification requirements, as should be done before agreeing to any arrangement, contract, or purchase.

Generally, all Aims Community College employees, regardless of department or full time status, are eligible for these discounts; however, limitations on participation may exist for those specific employees directly and significantly involved in the procurement process. Such employees should consult their purchasing director or the Legal Affairs Department for guidance, as appropriate. Specific eligibility requirements may be set by the discount provider and generally include all employees. Employees must consult the discount provider for any proof of employment requirements, typically a pay stub or ID, if required. Some discount providers may include retirees in their offers. Employees must contact the discount provider for any specific questions or concerns and for all customer service functions.

The discount offer must be an added value or actual discount on products or services and the business must be legitimate. A business may not disclaim knowledge of, or responsibility for, the authenticity or legality of the products or services offered. No discount offer shall be allowed to compete or conflict with any current Aims Community College program.

Discounted products or services offered must be of an appropriate nature and not referenced anywhere within this procedure as restricted or prohibited. All products or services must not be of an offensive nature or promote hatred, violence, or intolerance, and not be political, religious, pornographic or sexual in nature.
All businesses must submit a valid application to be considered for listing within the Work-Life Wellness Employee Discount Web site. Applications from ‘Web Only’ businesses will not be considered unless the business is accredited by the Better Business Bureau.

The application and any subsequent approval or disapproval of an application shall not be viewed or used as a College contract. It is the policy of the Work-Life Wellness Program to not accept gifts of any value, at any time, from any business. Businesses are asked to refrain from sending or offering any gifts as they will be not be accepted by the Work-Life Wellness Program.

The Web site will be a central point for collecting and presenting all discount offers to Aims Community College employees. This in no way constitutes an endorsement for any business. At any time and for any reason the Work-Life Program reserves the right to remove or modify any content on its Web site.

The Work-Life Wellness Program reserves the right to revoke, deny, or disapprove any existing or applying business, based on the Work-Life Wellness Employee Discount Program procedure or for any other business reason. All businesses participating in the discount program agree to comply with all conditions set forth in this procedure and any subsequent revisions.
