AIMS COMMUNITY COLLEGE POLICY

AIMS/CSU COOPERATIVE REGISTRATION AGREEMENT

In order to provide students enrolled at either Aims Community College or Colorado State University, the opportunity to complete undergraduate courses at the other institution without additional tuition assessment, the following agreement has been approved at both schools.

Students must be enrolled at the home institution for at least 12 academic credits (i.e. not Continuing Education) of resident instruction courses for the corresponding fall or spring terms and 9 academic credits for the corresponding summer term for which they are registering at the host institution. Completion of the course is not used in determining student’s eligibility for this agreement.

Registration for a maximum of one undergraduate, resident instruction course (5 credits) per term is authorized. Registration will be subject to the availability of the course and the student meeting the prerequisites.

Tuition, technology, student and matriculation fees for the course taken under this agreement will not be charged to the eligible student. Applicable course fees will be paid by the student. If the student is determined to be ineligible for this cooperative registration agreement, applicable tuition, technology, student and matriculation fees will be assessed, and the student will be responsible for payment of these charges.

The President shall implement and maintain procedures to carry out the intent of this policy.
