6. Discussion
  - a. BOT Report - Needs to be done ASAP due to Patty being out of town  
*If members could please get their reports to Danielle ASAP, that would be greatly appreciated. Danielle has started working on the draft but needs more info to finish this report. The deadline is coming soon (July 27th), so everything should be in by Monday July 18th. Jared asked what "items" are needed, this was explained as anything that SGA members may be working on.*
  - b. Constitution  
*Started working on the Constitution again. Aug 10th at 1:30 p.m., Janet would like everyone to be at the board report meeting so that the Board of Trustees can see the new SGA team. The Constitution has been updated. Only need to add the rubric and some footnotes, then a process of agreeing to the changes.*
  - c. POP by Meet and Greet  
*Need to check with Janet about the market request form for the POP by Meet and Greet. Jared will take the lead on the marketing request for this event. Looking to do this POP by Meet and Greet "all day" so that SGA members can attend class and the meet and greet as well. Stepf would*

*like to have members carry around some meet and greet items and give these out to students around campus to better get the word out about SGA and the Fall-In event.*

d. Town Halls

*Three town halls have been planned. November town hall will be November 17th 4 - 6 p.m.. Jared has an idea for a build-a-Arty event for one of the town halls. Stepf has a Halloween Carnival event for Oct 27th and needs some volunteers for this event.*

e. Spirit Week

*Spoke about the differing ideas we could do, discussed what days worked well and didn't last semester. SGA members will have to stay on top of documenting the students that participate in these events.*

f. ATTC Building Concerns

*Some of the building's appliances are going out, one of the walls has no power, and some of the outlets are duds. Aine will email Mike and detail these problems towards him. Aine brought up the prayer room needing more privacy in the CDI.*
